The houses Masha Ma, Shiatzy Chen, Jarel Zhan, Calvin Luo, and Maison Mai will not be able to present their collections in Paris during the next Paris Fashion Week®. Uma Wang will present their collection as a presentation instead of a show.

The Fédération de la Haute Couture et de la Mode is setting up a specific visibility on its social and digital networks for designers who are prevented from showing their collection as planned.

For those from Asia who will not be able to attend the PFW®, we will broadcast on our social networks, including Weibo and Douyin, the fashion shows and the presentations of the houses listed in the official calendars who would like to do so.
